

REQUIREMENTS FOR ACADEMIC MINOR

Students have the option of completing a minor program in addition to a major program. A minor shall consist of no fewer than 15 semester hours and no more than 20 semester hours in one discipline or in an interdisciplinary program. Courses taken to satisfy collegiate requirements or requirements for major programs may be counted for academic minors where appropriate. A student must receive a grade of C- or higher and attain a cumulative GPA of 2.00 or higher on all work counting on the minor. Any transfer course counting on a minor is calculated in the minor GPA. No major may require a minor program. Of the courses of three or more semester hours that a student uses to satisfy the requirements of any one minor, no more than half may be courses that the student counts toward another minor. Of the courses of three or more semester hours that a student uses to satisfy the requirements of any one minor, no more than half may be courses brought in through transfer credit.
