

ELIGIBILITY

Any person representing the college in the capacity of a student must in fact be enrolled at the college. Students wishing to participate in intercollegiate athletics are advised that the National Collegiate Athletic Association also has standards for eligibility: to compete, a student-athlete must be in good academic standing; therefore, they may not be on academic probation. To practice or compete, a student-athlete must be full-time except when the student is in the final semester of the baccalaureate program.
