

# CROSS-AREA REQUIREMENTS

Randolph-Macon's curricular goals emphasize the college's intention to provide students with an education that encourages them to see connections and relationships among various academic disciplines. The Cross-Area requirements (<https://catalog.rmc.edu/academic-program/#cars>) reinforce cross-disciplinary connections and the recognition that curricular goals are not unique to a particular discipline or a single pillar. All students must successfully complete at least one course that satisfies each of the following requirements.

- Experiential Learning (EL)
- Non-Western Culture (NW)
- Diversity and Inclusion (DI)
- Capstone Experience (CS)
