

ENGINEERING PHYSICS MINOR

Requirements for a Minor in Engineering Physics

Code	Title	Hours
PHYS 151	Introductory Physics	4
PHYS 152	Introductory Physics	4
EPHY 150	Introduction to Engineering:Stress, Strain, and Fluids	3
EPHY 250	Engineering Mechanics:Statics	3
EPHY 255 or PHYS 330	Engineering Mechanics:Dynamics Intermediate Mechanics	4
EPHY 300 or EPHY 350	Mechanics of Solids Fluid Mechanics	3
Total Hours		21

Receive a grade of C- or better in these courses.

A student who minors in Engineering Physics may not also major in Engineering.
