or EVST 457	Internship in Environ Study (Paid)	
Area of Expertise		
Select at least 15 upper-level credit hours from one discipline		15
Total Hours		45

¹ It is recommended that most of these courses be completed before taking EVST 305 Environmental Problem Solving II.

² EVST 450 Field Studies in Environmental Studies for GPA <2.25

The Area of Expertise

- At least 15 credit hours;
- All credits must be in one specific discipline (for example, BIOL or SOCI or COMM or GEOL, etc.);
- All credits must be in upper-level courses, that is, courses that have at least one prerequisite in that discipline (consult the director of the environmental studies program for information about what courses in a discipline can count towards the area of expertise);
- Students are encouraged to pursue a minor or second major in their area of expertise.
